BROKERS COMMENT: JOURNEY a very nicely presented launch all round. An ideal boat for the Hauraki Gulf, Tasman Bay or Marlborough Sounds for a single owner, couple or small family. There's ample room for fishing or living aboard, even a small floating office! Very economical to run.

IMPORTANT POINTS-

- **Very low fuel consumption, cheaper to run than many similar sized motor boats.**
- **A novice mariner should find this boat very easy to use.**
- **Inspection in Lyttelton can be arranged anytime.**
- **JOURNEY is not a speed boat. She will suit those looking to slow down and take in the sights!**
