

Sunpower Yachts 44

Ultimate Family Weekender

Our Mission

Sunpower Yachts Australia mission is to create solar electric yachting experience that is environmentally friendly to our oceans combined with the comfort and luxury of a superyacht.

Sunpower facts

<ul style="list-style-type: none">• SOLAR POWERED <p>Enjoy unlimited power from the sun that costs \$0 and does not harm the environment.</p>	<ul style="list-style-type: none">• ELECTRIC MOTORS <p>Choose your speed and enjoy the silence of electric propulsion with zero noise.</p>	<ul style="list-style-type: none">• UNLIMITED RANGE <p>The ocean is your playground when you do not need to worry about the next fuel stop.</p>
<ul style="list-style-type: none">• ZERO EMISSIONS <p>Feel good that you are only leaving behind you clean air and happy ocean life.</p>	<ul style="list-style-type: none">• SUPERYACHT LUXURY <p>Its nice to travel in comfort with style and this is a fact that the Sunpower 44 is exactly that.</p>	<ul style="list-style-type: none">• SUNPOWERED APPLIANCES <p>Use all you appliances at your leisure with no dangerous gasses to worry about.</p>

Our future of yachting is solar electric propulsion

Due to technological advances, growing customer demand and added benefits, Sunpower Yachts Australia are turning to the power of the sun.

With two luxuriously modern solar-powered models, Sunpower 44 - VIP and Sunpower 44 – Charter Version Sunpower Yachts offers environmentally sensitive products with plenty of other advantages—like the ability to sail endlessly.

“Whether you are looking for an eco-friendly yacht or not, it's hard to deny the advantages of Sunpower Yachts: The peace and quiet

SUNPOWER 44

SUNPOWER 44

THE ULTIMATE FAMILY WEEKENDER – FEEL FREE

SUNPOWER Solar Electric 44 is one of three models of this innovative yacht.

1. Sunpower VIP (openflybridge) – with a convertible hardtop is the ultimate family weekender that gives you freedom like no other. This yacht can be easily handled by the captain of the family and ensures plenty of room for your family's friends to stay over.
2. Sunpower Charter (open-flybridge) - Furthermore, this Sunpower 44 offers the possibility to upgrade to the charter version with a spacious 4 double beds with 3 bathrooms. It fits a 3.0m tender comfortably with an optional electric winch. You may also love to include the time saving hydraulic remote-controlled roof which makes lock up a simple task.
3. Sunpower Sports (no flybridge) - If heights or steps are an issue you can go for the sedan with no top deck at all. Water toys and e-bikes can be stored in doors for your next island or mainland adventure.
